

Mission Statement

St. Mary's Rosscarbery is a Catholic Primary School.

The school is under the trusteeship of the Catholic Bishop of Cork and Ross and is inspired by the Mercy tradition and philosophy of Education and by the vision of Catherine McAuley, Foundress of the Mercy Congregation,

**“to fit the students for earth without
unfitting them for Heaven.”**

Our school welcomes children of all faiths and of none. It is committed to the holistic development of each individual member of the School Community.

In a caring and harmonious environment **we aim:**

- To foster a community where each child is helped to reach his/her full potential and where all the Staff and Children are appreciated and supported.
- To continue to develop co-operation between School, Parents, Parish, other Schools and the wider Community.
- To sustain the process of ongoing change to meet the needs of a changing society, while retaining our distinctive heritage and culture.

Staff, Board of Management and Parents endeavour to develop our School in the light of this Mission Statement.
